

# New special school in Coomera

## Newsletter

Hello Parents, Carers, Students, Friends and Families of the Coomera community!

My name is Kate Hucker and I have recently been appointed the foundation Principal of the new State Special School in Coomera that will open at the beginning of the 2022 school year.

I am very excited about leading the school as we all work together to create a fantastic learning environment for our students.

Very soon I will be hosting some community consultation sessions where I will share my vision for the school as well as look for interested community members to assist and provide input as we begin to develop all of the important processes for our new school.

I look forward to meeting you all.
